

DELTA PSI EPSILON PRESENTS

WHAT IS AFFILIATION?

FOR ESTABLISHED CHRISTIAN SORORITIES

1

LET'S BUILD TOGETHER

WHAT IS AFFILIATION?

Affiliation is when a national Greek-lettered organization absorbs the members or chapters of smaller or local organizations to be full members of the national organization.

WHO CAN BE A PART OF THE PROGRAM?

All of your members—past and current. They may only join during the time period allotted for affiliation. After the prescribed time period, they will forfeit the opportunity.

2

WHY AFFILIATE?

Is your Christian sorority closed, dissolving, or close to failing? Do you still want to offer your members value and the opportunity to have a sisterhood, share in community service, and have a greater reach in evangelism nationally and internationally?

Delta Psi Epsilon Christian Sorority, Inc. has an affiliation program that can give your members a national structure (soon to be international) that supports us all in reaching the world for Christ. We want you! Together, we can fulfill our God-given purpose through sisterhood and love. We all have strengths to share. Let's work together! We hope this is an answer to prayer.

Or maybe you're asking, why should I affiliate? I have my own organization and we are a national organization? I know that God has called me to a Christian sorority.

There are times when God is calling you to a Christian sorority, but it does not always mean you should start your own. If you have been working for several years, and have gained no traction. If you are struggling with less than 100 members... or less than 50... or less than 20... You should consider uniting with another organization.

UNITY IN CHRIST

So Christ gave the apostles, prophets, evangelists, pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining the whole measure of the fullness of Christ.

Ephesians 4:11-13

It's time for us to come together.

Why are you bearing the weight with less than 100 members,
when together we can soar?

Work with an organization that has the structure and management to support
members at every stage of life and from all walks of life.

HOW DOES AFFILIATION WORK?

Members inducted into Delta Psi Epsilon by affiliation shall have an equivalent status of membership that was held in the organization of origin (eg. If you were/are a full member of the XYZ organization, you will be a full member of Delta Psi Epsilon. If you were/are an honorary member in the XYZ organization, you will be a full member of Delta Psi Epsilon.) The affiliation program incorporates three portions:

- An application will be required to capture information for the national database and for the purpose of scheduling and preparation.
- Sharing of information will occur through a secure web portal so that incoming members have access to Delta Psi Epsilon materials.
- A three-day workshop will be held for learning about Delta Psi Epsilon's policies, procedures, and operations. This will include the final induction.

Before this three-step program, members will be given a proposal outline to ensure both organizations agree to the terms.

3

HOW DOES AFFILIATION WORK?

WILL MY MEMBERS HAVE TO PLEDGE?

No. You've already done the work of a membership intake program. Through affiliation, you will not have to "go on line" or rush again. This is a workshop program.

WHAT DOES AFFILIATION COST?

Costs vary based on location, size of the group, and the needs of the group. The range is anywhere from \$100 - \$650 per person. Our membership intake fee is \$800 per person. Affiliation fees will be less than our membership intake fees. These fees can be paid incrementally by \$25 through our online system. This cost includes membership dues through the end of the year, membership activation fees, activity fees, handouts and materials, certificate, pin, and a deluxe paraphernalia package. (You will receive the final costs before signing the agreement.)

3

HOW DOES AFFILIATION WORK?

WHAT ABOUT OPERATIONS, POLICIES, AND PROCEDURES?

Each person will receive all of Delta Psi Epsilon's governing documents, manuals, and policies as a part of the learning curriculum. Members that join by affiliation will have to adhere to Delta Psi Epsilon's policies, codes, and procedures.

WHO SHOULD I CONTACT TO GET STARTED?

To learn more or to ask questions, **contact Founder Vila-Sheree Watson at vwatson@deltapsiepsilon.com**. We would be honored to design a customized affiliation program for your organization.

4

WHAT'S NEXT?

HOW MANY ORGANIZATIONS HAVE AFFILIATED WITH YOUR ORGANIZATION?

We are currently working with 2 Christian sororities that are processing through our affiliation program.

AFTER AFFILIATION, THEN WHAT?

Your members will absorb into our chapters where there is a chapter is available. Otherwise, they will form a chapter in their area of residence.

ONLY CHRISTIANS NEED APPLY!

Delta Psi Epsilon only accepts women that are Christians. Delta Psi Epsilon is not an organization that makes you a Christian, but it is a collective of women that are ministers in their own right. Membership is not a right, it is a privilege. In this great work, all glory is given to God. We cover women that are ambassadors to this age for Christ.

ABOUT DELTA PSI EPSILON

For 20 years, Delta Psi Epsilon Christian Sorority, Inc. was formed to give women an opportunity to become a part of a Greek-lettered organization, while holding fast to their Christian values. On January 16, 1999, Delta Psi Epsilon Christian Sorority, Inc. was established by Founders Carla Griffith, Vila-Sheree Watson, and Nicole Gardner. Many strides were taken over the years to further cement and solidify the organization before becoming national in 2004. Currently, our sorority is established on several campuses and communities throughout the nation. At our core, we are an evangelism organization and our goal is to reach the world for Christ.
